Abstract

Here's the pitch for the thesis I would like to write.

1 Introduction

One of the problems that needs to be solved bla bla bla. Hey, I can use macros *that were defined* in the macros.tex file.

2 The Main Stuff

Tell us about the problem, your approach, the work you plan to do.

3 Related Work

A wise person once said, the only useful algorithm known to mankind is rsync [TM+96].

Work Plan

- by 05.05: stuff!
- by 26.05: things!
- by 16.06: objects!
- by 07.07: concepts!
- by 28.07: ideas!
